

Dear Quilters,

We are so excited to welcome your quilt entries online from **2 February to 30 April 2026!** Before you get started, here are a few friendly reminders to help make the process smooth and enjoyable:

No late entries will be accepted.

Please check that your quilt is entered in the correct category. No category changes will be made after submission.

Prepare your statement of inspiration before starting your online quilt entry. Write it down and make sure it is clear, concise, and not too long. We love hearing what sparked your creativity.

Remember to include full design credits. It is important that every contributor and source is acknowledged.

If you used a published or commercial pattern, include a printed **A4 colour copy** of the pattern and send it in with your quilt. (Relevant categories: **COL, OL, OMS, and YTH.**)

Thank you for being part of the SEW AWARENESS community—we can't wait to see your beautiful quilts!

Warm Sew Awareness greetings,

Ursula Kilian
