

Basic Sewing Supplies

Most workshops require Basic Sewing Supplies (BSS). Here is a list with the minimum requirements you can use as the basis for your packing list. Workshops may have an additional downloadable Student Requirement list. Student Requirements are available on our website with each workshop description. Feel free to ask if you have any queries. Before packing your supplies, mark each item with your initials or name. Remember to mark your sewing machine, cords, pedal etc. Items easily get mixed up or left behind.

Cutting		Pins & Needles	
	Cutting mat		Straight pins (long, thin pins with glass head recommended)
	Inch/cm cutting rulers		Pin cushion or magnet
	Rotary cutter and spare blade(s)		Curved safety pins
	Paper scissors		Hand sewing needles (variety pack or Sharps - good all-rounders)
	Fabric shears		Thimble
	Small scissors (e.g. embroidery) or snips for clipping threads		Seam ripper with a sharp tip

	Thread to match fabrics		Sewing Machine serviced, cleaned, oiled, and ready to go. (You must be familiar with your machine!)
	Fabric marker(s)		
	Notebook & pen/pencil		All power cords
	Tape measure		Foot pedal
	Teflon sheet		Owner's manual
	Paper bag for trash		Sewing feet and accessories (including screwdriver, Allen key, cleaning and oiling items)
	Water bottle		
	Chocolate or snack		Extra bobbins for your machine
	Masking Tape		Extra sewing machine needles

	Reading glasses		Extension cord (preferably with surge protection) and adapters
	Cushion to sit on
